Help keep the CHS spirit alive and well

Keeping the memory and spirit of a school alive is best accomplished by continued contact between its former students and supporters. The best way to insure that a school's memory and spirit remain strong and vibrant is to support the success of its former students.

The Roughrider Scholarship Foundation's efforts are dedicated to both of these goals by providing scholarships to every eligible CHS graduating senior who applies for one and by maintaining contact and keeping information flowing through the newsletter.

The only way we can accomplish either of these goals is with your help in donations to the scholarship fund and in providing methods of keeping in touch with each other. These two things are the major goals of the Roughrider Scholarship Foundation.

As the old saying goes, "There's strength in numbers," and this certainly is applicable to the future of CHS and its

graduates and friends.

• CLASS REUNIONS

It's back to school time at CHS and one of the best ways to keep in touch is through class reunions. Let us know all the details about your class reunion and we'll compile an ongoing data base of all the reunions about which we can gather information. This data base will be informational this year, but it will be invaluable in future years as the data base grows and the Roughrider Scholarship Foundation Newsletter becomes a source of CHS class reunions every year.

Helpful information will be, of course, the year of graduation, reunion date, place and time. Perhaps the most important piece of information will be a contact person or persons who will be organizing your class reunion.

Be sure to include any phone numbers, mailing addresses or email addresses you may have on your class reunion organizers. Send reunion infor-

mation to Leon Aldridge at P.O. Box 2108, Center, TX 75935 or <laldrige@generalshelters.com>.

• SHARING INFORMATION

Often, the only way any of us can keep up with a friend is through another friend. With the newsletter mailing list, we're compiling a list of CHS grads and their whereabouts. You can help in two ways.

First, by keeping your own information current, you will be assured of regular contact two or three times a year from the Scholarship Foundation. Second, let us know of any CHS exes you are in frequent contact with and be sure to ask them if they are receiving the Scholarship Foundation newsletter. If they are not, encourage them to contact us or ask if you can send us their contact information so that we can add them to our mailing list.

Send contact info to Lisa McAdams at 439 CR 1130, Center, TX 75935 or <lmcadams@mcadamspropane.com>.
